Re: St. Michael Enterprises, et al. v. Serbia  
Ministry of Privatization, et al.  
Index No.: 09 CV 5147

Dear Judge Townes,

Thank you for granting me additional time on your February 08, 2011 order. Unfortunately, the Court failed to send me a copy of your order as it did previously via the mail. Concerned that I did not receive a response, I called your office in the second week of March and learned that the order was not sent. At that time your office was kind enough to fax me a copy of the February 8<sup>th</sup> order.

From the fax I learned that the Court has ruled that while I have the right to represent myself, I do not have the right to represent St. Michael Enterprises, LLC. I apologize to the Court for not researching the matter more thoroughly before making the request to represent St. Michael Enterprises, as well. I assumed that I would have been able to do so because St. Michael is a one member (disregarded entity) where I am the sole proprietor.

Given that I only learned of your order in March, and given that I must reinitiate my search anew for an attorney to represent St. Michael Enterprises, I respectfully ask that the Court grant me sixty days to find an attorney who will file the required response for St. Michael Enterprises, LLC.

Please note that I will continue to represent myself pro se.
